Bd's Ref. No. 182441 A1/52-2 CS. dated 19-12-52.

From

Sri M.V. Subramanian I.C.S.,
Commissioner of Civil Supplies.

Janab K.Ghulam Mahmood I.A.S.,
Secretary to the Commissioner of Civil Supplies.

Read: From the Collector of South Kanara - C. No. 12152/52- P.4. dated 8-11-52 and 8-12-52.

In Board's Ref. No. 89143- U.VI. /50 dated 25-7-50 (copy submitted for ready reference) a flat rate of Re.0-6-0 per mura of rice and 0-4-0 per mura of paddy was fixed towards transport charges for the whole of South Kanara district. The Collector of South Kanara was asked to obtain from the S.K.C.C.W. Stores, the Wholesalers of the district a quarterly audited statement showing the transport charges collected by them at the flat rate and the transport charges actually incurred by them for transporting paddy and rice from the surplus to the deficit areas in the district and vice versa. The intention was to adjust extra or under recoveries by suitably decreasing or increasing the flat rate in the following quarter. The flat rate was adopted since 1-10-50.

2. In spite of periodical reminders by he Collector, the Stores were not prompt in submitting the quarterly statement. The Stores submitted the statement for the period 1-10-51 to 30-6-52 only on 4-9-52 and the statement for the quarter ending 30-9-52 on 14-9-52 and these statements were certified as correct by the Co-operative Departmental auditor The President of the Stores admits the delay and requests to be excused. A progressive statement of transport charges incurred and recovered and balance in each quarter from 1-10-50 to 30-9-52 is submitted herewith. The above statement shows a net loss of Rs.83,797-1-8 as on 30-9-52 which has to be recouped to the Stores.

3. The Board observes that the Stores have not been quite businesslike in their transactions. Had the Stores promptly submitted the statements the short recoveries should have automatically got recovered in the next quarter and arrears to the tune of Rs.83,797-1-8 would not have accrued. If the amount is to be recouped to the Stores now, it will have to be recovered from the Consumers by an increase in the release price of rice and since the amount is very large, the increase in the Consumer's price will be very high. It will have to be 12 annas per maund for a period of two months.

In the circumstances stated above and in view of the fact that the delegation of powers given to the Board in G.O. No. 570 Food and Agriculture dated 31-3-52 will not correctly apply to the case under consideration. The Board requests early orders whether the amount may be allowed to be recouped by an increase in price as specified above

Read: From the Collector of South Kanara Ref. P.4. 15201-49 dated 26-6-50.

With reference to his letter cited above, the Collector of South Kanara is informed that the Board approves the proposal to fix a flat rate of Re.0-6-0 per mura of rice and 0-4-0 per mura of paddy towards transport charges for the whole district. He is also informed that the South Kanara Central Co-operative Wholesale Stores should be asked to give a quarterly audited statement showing the transport charges collected by them at the flat rate and the transport charges actually incurred by them for moving the stuff from surplus to deficit areas and vice versa, so that any extra or under recoveries can be adjusted by suitably increasing or decreasing the flat rate in the following quarter.

G.O.Ms.No. 123 F&A dated: 31-1-1953

In its ref. cited, the Bd, has reported that the arrears of transport charges ~~have accrued to the tune of Rs.83,791-1-8~~ due to the S.K.C.C.W.Stores as wholesalers for transporting paddy and rice from the surplus to deficit ~~xxxxxxx~~ areas in the South Kanara District and vice versa. (have accrued to the tune of Rs. 83,791-1-8 and) ~~The Bd. has~~ proposed that the S.K.C.C.W.Stores may be permitted to recoup the ~~sum amount of Rs.83,791-1-8 representing the arrears of transport charges~~ by increasing the release price of rice by 12 annas per md. ~~for~~ Covering a period of two months. The Bd. has however observed that the arrears of transport charges have accrued to such an enormous extent due to the unbusinesslike attitude of the Stores in their transactions and mainly due to the slackness on its part in ~~not~~ submitting promptly the periodical quarterly statements prescribed with a view to adjust extra or under-recoveries in the following quarter. The Govt. agree with the Board and consider that it will not be reasonable to burden the consumers with such a large sum which has accrued as loss solely due to the negligence of the S.K.C.C.W.Stores ~~to submit~~ in submitting the returns promptly. The Govt. ~~accordingly~~ therefore direct that the Stores ~~x~~ will have to meet the loss in full from the profits earned by it during the period in which the ~~xxxxx~~ transport charges became due, ~~and~~ in the foodgrains business and seek the help of Govt. only in respect of such amount as will not be covered by the profit. The Bd.of Rev.(C.S.) is ~~accordingly~~ requested to inform the stores accordingly.

The Bd's ref. in the c.f. and the enclosures thereto at pp.3-5 c.f. may be perused.

~~For the reasons explained by the Bd. at~~ (the Board of Rev (Cos)) ~~in~~ p.1 c.f., it has stated that the transport charges (at the rate of 0-6-0 per maund of rice and 0-4-0 per maund of paddy) due to the South Kanara Central Co-op. Wholesale Stores as wholesalers in that district, for transporting paddy and rice from the surplus to deficit areas in the district and vice versa, have amounted to the tune of Rs.83,791-1-8 and this amount has now to be recouped to the Stores. The Bd has proposed that the amount will have to be recovered from the consumers by an increase in the release price of rice and since the amount is very large, (the Bd. points out that) ~~the increase in~~ the consumer's price will have to be increased by 12 annas per md. for a period of 2 months. The Bd. has also pointed out that ~~that~~ the arrears of transport charges have accrued to such an enormous extent mainly due to the slackness on the part of the Stores in not submitting periodical the/quarterly statements prescribed with a view to adjust extra or under recoveries by suitably decreasing or increasing the flat rate of transport charges, in the following quarter. The present proposal of the Bd. for increasing the consumer's price by 12 annas per md. is no doubt a heavy burden on the consumers. In the circumstances it is for consideration whether the Bd's propo

at 'A' on p. 1 ante will be accepted.

If the proposal is accepted, the Bd. may also be told to instruct the S.K.C.C.W. Stores Ltd. that, if, in future, (the Stores) found to be it is not prompt in submitting the quarterly statements prescribed on the due dates, ~~the matter will be viewed seriously~~ its claims will not be considered. It will not be reasonable to burden the Consumers with such a large sum, which has accrued as loss solely due to the negligence of the Stores to submit the returns promptly. The Bd may be asked to instruct the Stores to remit the loss from the profits earned during the period in the Food Accounts to come up for help of Govt. only in respect of such amount as will not be covered by the profits.

NOTE FOR CIRCULATION.

The case relates to the proposal of the Bd. of Rev.(C.S.) to ~~allow~~ permit the South Kanara Central Co-op.Wholesale Stores, wholesalers in the district of South Kanara, to recoup a sum of Rs.83,791--1--8 representing the arrears of transport charges due to it.

W.P. 1/4

The Bd.of Rev.(C.S.) ~~states~~ reported that ~~the~~ transport charges at the rate of 0-6-0 per mura of rice and Re.0-4-0 per mura of paddy due to the S.K.C.C.W. Stores as wholesalers for transporting paddy and rice from the surplus to deficit areas ~~in~~ and ~~in~~ vice versa in the district, have amounted to the tune of Rs.83,791-1-8 and requested for orders whether this amount may be allowed to be recouped to the Stores by recovering the amount from the consumers by an increase in the release price of rice. The Bd. also pointed out that since the amount is very large, the consumer's price will have to be increased by 12 annas per md. for a period of 2 months. The Bd. has also pointed out that the arrears of transport charges have accrued to such an enormous extent mainly due to the

slackness on the part of the Stores in not submitting the periodical quarterly statements prescribed with a view to adjust extra or under-recoveries by suitably decreasing or increasing the flat rate of transport charges in the following quarter. ~~The Bd. further states that if the amount is to be recouped through recovery from consumers, the increase in the consumer's rx price will be 12 annas per md for a period of two months.~~

This Dept. is of the view that it will not be reasonable to burden the consumers with such a large sum which has accrued as loss solely due to the negligence of the S.K.C.C.W.Stores to submit the returns promptly. It is therefore proposed to inform the Bd. to instruct the Stores to meet the loss from the profits earned during the period in the foodgrains business and come up for help from the Govt. only in respect of such amount as will not be covered by the profits.

Dev. & Finance Depts. have agreed with the proposal of this Dept. at 'A' above.

The case may now be circulated to M.(Fin.) and Member for approval of the proposal at 'A' above.
